

Welcome to Amanecer Academy Family!

Thank you for your consideration in becoming part of the Amanecer Academy Family. Amanecer Academy was founded by Laura Paz and Gertrudis Munoz. **Amanecer Academy** is a 100% Spanish Immersion Childcare Center and Pre-school. As parents and grandparents of bilingual children in the United States we have observed some of the advantages of bilingualism. Based on current research being bilingual has profound effects on the brain. Children who are bilingual outperform their monolingual counterparts in School. Bilingualism has also shown to shield adults and children from cognitive diseases such as dementia. We Amanecer Academy believe children are protagonists in their own learning. We value and nurture the whole child in all their capacities. We will foster an environment where children are able to express and communicate through their own language of learning. We believe that children experience the greatest growth and learn the Spanish Language in a context of a relationship with their teachers. We first build relationships where children feel loved and secure. We strive to provide a warm, caring, comfortable and safe environment for our children. Together, we will establish routines that are predictable and consistent. All children will be treated with gentleness, honesty and respect. We will encourage them to treat others in this manner. Our classrooms cultivate an unbiased atmosphere see society through a lens that celebrates diversity of thought and culture. We believe teachers and educators are important role models. Therefore, we use modeling as a vital tool in our classrooms. To maintain an atmosphere where children feel comfortable and confident, we use constructive guidance and positive reinforcement as tools for discipline.

We would be honored to be able to serve your family.

Sincerely,

Laura Paz

Discipline

Policy:

At Amanecer Academy we work hard to develop a positive relationship between teacher and child. We believe if an interesting and challenging program is offered, then discipline problems are minimal. If problem behavior does occur, we begin with a positive approach. We believe that the purpose of discipline is to teach self-discipline, and that discipline should rely on inductive methods of explanation, reinforcement and modeling, rather than punishment. Above all, it is our goal to provide a warm and loving atmosphere in which children can grow, learn, and grow to love learning.

Procedure:

Our interactions with Children:

- Consider the attention span and skills of children so that we do not expect them to behave at developmentally inappropriate levels.
- Engage in discipline that relies on explanations, reinforcement, and modeling.
- Praise and encourage good behavior instead of focusing upon unacceptable behavior.

- Teach children that making mistakes is a natural part of learning, and that they can make their mistakes right. Children are expected to take responsibility and do so.
- Are consistent – One key to effective discipline is consistency, and we are as consistent as possible in all areas.

Teachers and parents work together

At Amanecer Academy teachers and parents work together to deal with problem behavior. We encourage parents to discuss with their child that the following are unacceptable:

- Leaving the area without permission
- Throwing toys, rocks, or sand at other children
- Abusive, or inappropriate language
- Purposely hurting themselves or others; for example, by hitting, biting, spitting, kicking, or pulling hair

Amanecer Academy Believes:

- Children are never shamed or humiliated.
- Yelling at children is not permitted.

Spanking or any other type of corporal punishment is not permitted

Treasures and Possessions

Each child will need a blanket to use at naptime. The blankets are washed by Amanecer Academy every Friday. If you wish to wash your blanket at home or take it home daily it is your responsibility to arrange that with staff. A small pillow or stuffed toy is permissible for nap time.

Sometimes children need to bring special toys or newfound treasures to use as a “bridge” between home and school. On these occasions, we will work with your child to make it a positive sharing experience. Experience shows us that often toys from home create problems at school. We encourage keeping toys at home unless there is a scheduled show and tell. Amanecer Academy will not be responsible for any lost toys.

Clothing:

Because of a wide range of activities it is recommended that children be dressed in washable, comfortable clothing. Plastic aprons will be provided for art /paint activities and water activities.

Water activities, sand play and occasional bathroom accidents necessitate an extra set of clothing. All extra clothing should be placed in a labeled bag.

Diapers and Toilet Training:

Parents supply all diapers, wipes and rash creams. Teachers have knowledge and experience in helping your child toilet train. It is important that you communicate with your teacher to make this milestone positive and successful.

-We will start the process of potty training at child at Childcare when the child can do the following:

- The child can walk and is ready to sit down.
- The child can communicate his/her need to eliminate (urinate/defecate).
- The child is able to pull clothes up and down (on and off).

We recommend that when in training your child be dressed in user friend clothing. Overalls, zippers and snaps are difficult for children to manage especially in a hurry. While toilet training parents are to provide lots of thick training underwear, pants and outer clothing.

Bodies and Boundaries

Children are curious about their bodies we at Amanecer Academy use anatomically correct terms when speaking about body parts. We also teach children that every person has boundaries and those have to be respected.

Birthday Celebrations

Parents are welcome to send in a treat to share with their classmates on their birthday or special occasions. Schools have strict allergy guidelines so please talk to a Teachers prior to sending a treat. Amanecer Academy will have a small celebration for each child on their birthday. Parents are discouraged to celebrate in school as all birthday celebrations are the same for each child in our School.

If you wish to invite children from Amanecer Academy to and outside the School Birthday party. Ask Amanecer Academy Staff and we can provide an address or email list with the permission of the parent.

Meals, Snacks and Food Allergies

Whole milk will be provided at Lunch time (unless there is an allergy) If there are any dietary changes after the time you have completed the enrollment form it is your responsibility to

share them with program staff. It is your responsibility to share any special foods. An Allergy Action Plan and Medical Action Plan are available to be filled out by the parent as needed.

Healthy Choices

While the occasional donut, chocolate milk or fruit snacks make for a good treat. We ask that parents provide healthy choices for lunch to encourage healthy eating habits within the school. If as a parent you are needing some ideas for Lunches reach out to Teachers for a list of Pinterest or online pages for ideas.
